## We're adjusting the price of your next CBP® Seminar by \$100.

As a past participant in Chiropractic BioPhysics® seminars, you know the value of learning CBP techniques and methods. We're hoping to help you along the way toward CBP Certification and encourage other DCs to do the same by offering you a \$100 discount on your next CBP seminar. All you have to do is refer a DC (or chiropractic student) who has never attended one of our seminars or has not attended in the past 5 years. When they register, you've earned a \$100 discount—and so has the DC you referred.

Register online at [www.idealspine.com](http://www.idealspine.com) or call 1-800-346-5146. Refer to Code CBP123R and give the name of the DC you are referring to claim the \$100 discount. **Offer expires Dec. 2010.**

## We're adjusting the price of your first CBP® Seminar by \$100.

The DC referring you to Chiropractic BioPhysics® seminars knows the value of learning CBP techniques and methods. We're hoping you'll learn that for yourself by attending a seminar and getting on the path to CBP Certification. Your patients will benefit, and you'll build a stronger, more stable practice. As an additional incentive, we're offering a \$100 discount on your first CBP seminar. All you have to do is register and you've earned a \$100 discount—and so has the DC who referred you.

Register online at [www.idealspine.com](http://www.idealspine.com) or call 1-800-346-5146. Refer to Code CBP123R and give the name of the DC who referred you to claim the \$100 discount. **Offer expires Dec. 2010.**
